Fetcham

No longer in full time employment?

We are known as **Fetcham U3A**, although we have members from as far afield as Dorking, Epsom, Cobham and Effingham! There are about 500 hundred of us in Fetcham U3A, we have monthly meetings (fourth Tuesday afternoon of every month) in [St Mary's Church Hall](#), where we have refreshments, meet new and old friends and listen to an interesting (hopefully) talk. Join us and make new friends, join several interest groups, go on outings and you will wonder how you ever found time to work!

We have over 75 interest groups which meet in halls, members' homes or out of doors. There are groups with interests ranging from Canasta to Ukulele to Cookery, and a record number of eight groups for both Explore London Walking and Wine Appreciation, the latter speaks volumes about us!

We would be really pleased to see you, come along to one of our Monthly Meetings to see if you would like to join!
